

# Automotive

## Fuel System

- Fuel Lines
- Pressure regulators
- Gas Injection Bushing
- Anti expulsion tank valve
- OBD sensor seals

## Chassis

- Shock Absorber
- Stabiliser bar bushing

## Power train

- Power window vents
- Shift Seal rings
- Hydraulic clutch piston rings
- Hematic seal
- Crankshaft rotary lip seals
- Valve stem seals
- A/C Piston Rings
- Control Cable Liners

## Steering

- Power steering pump piston rings
- Power steering seals
- Steering ball joint insert

## Electrical System

- Oxygen sensor wire
- Brake sensor wire
- Battery terminal binder
- Wire harness conduit

## Brake System

- Brake pad wear indicator

## Other Automotive

- Elastomer components
- Grommets
- Coating
- Additives
- Seat belt control mechanism

Most applications are specialised according to each auto manufacturing specification. Contact Isocomp for specific examples
